What I Am Working On

Currently, I am finalizing the interior pages for "The Adventures Of Georgia and Cash - Louie The Lost Lorikeet", and I can't wait for everyone to see the finished product. It has taken a bit longer than I would have liked to get this finished, but I am thrilled with all the colourful pictures that my illustrator, Arti Kukreja, has completed. This is a colourful, fully illustrated Children's book, that is a heart-warming story about helping others and making new friends. It will be available in paperback and e-book by the end of March 2022.

Pre-orders for 'Louie The Lost Lorikeet' will be available soon via my website <https://susanhoddy.com/>.

Another Children's Book 2022

In 2022, I am hoping to self-publish another Children's book in 'The Adventures Of Georgia and Cash' series. I have so many ideas floating around in my head, for what the storyline will be about. Watch this space for more information on this new book and what it will be about. <https://susanhoddy.com/>

Paranormal release in 2023

I am also working on another novel, that is coming out in 2023. It's currently sitting at 35,624 words. I have finished the storyline, but I now need to add in the finer details of the characters and other interesting facts. I don't have a name for it yet, but I can tell you that it will be paranormal novel, with lots of action, drama, and for those readers that love them, shorter chapters.

Website

After three years, I think its time for a change. I currently have Samith Pich from Elevate Social <http://www.elevatesocial.com.au>, who originally designed my website, working on some changes for me. I am hoping that my website will be a bit more user friendly and interesting for everyone to navigate. Can't wait to show everyone what my new website will look like. I will let you know when it's up and running...

What Are You Reading

Are you looking for something new to read, that you just can't put down? The Lepidoptera Vampire Series won't disappoint. It has lots of action, supernatural characters, romance and a real page turner. Please check out my website for reviews.

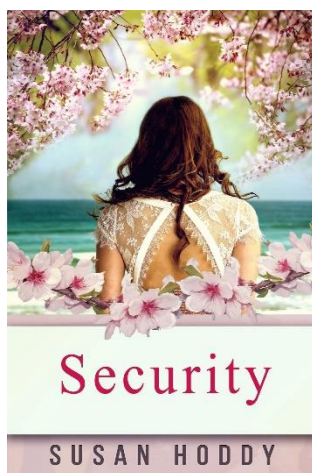

www.susanhoddy.com

February sure has been a busy month for me. What with; choosing a design for our new house, checking and approving illustrations, writing new stories, website changes, advertising & marketing, delivering books to stores and posting books to my readers, and oh, one of my many favourite things - caravanning, I can't even tell you where this month has gone. Take care of yourselves everyone, especially those who are enduring lockdowns OR quarantining right now. My thoughts are with you and I hope you have lots of books and sweet treats to keep you company.
